Cheerleading Competition –CANCELLED - due to lack of numbers this year we regrettably have had to cancel our Cheer event. We are extremely hopeful that in 2010 this will be back bigger and better, so stay tuned. We are extremely sorry to those clubs who had planned to participate and extend a welcome to you to perform at our closing ceremony on Monday 28th September.

MONDAY 28TH September

MAG Competition Starts – PLEASE NOTE CHANGE OF DAY – we have made this change to provide a festive atmosphere for all boys and girls. With the MAG competition being included for the first time we wanted to ensure the boys got to experience the huge closing ceremony the girls have come to enjoy and that all team members were available to enjoy the Wet n Wild fun day on Tuesday after competition. With all draft programs until entries have been confirmed it is very difficult to confirm days. Numbers of teams entered dictated this change.

***Monday 28th September**

WAG & MAG Closing Ceremony - A closing ceremony and a final presentation will follow the final session on Monday 28th. We encourage all team members from all clubs to attend this presentation. There will be several displays to highlight the different gymsports and the Overall Champion Cheerleading Team from 2008 will be invited to perform at the closing ceremony.

***Tuesday 29th September**
